SUMMARY

Full-Stack Web Developer at Southern Methodist University. Having owned a restaurant for 17 years acquired experience in public relations, finances, advertising and training. Graphic Designer experienced in designing advertising materials for various businesses. Known as a creative, is also adaptable, disciplined and loves a challenge. Proficiency with HTML, CSS, jQuery and studying across the full technical stack. Excited to keep learning in the future and looking forward to solving problems since I have an ability to think out of the box. Fluent in Portuguese and Spanish.

TECHNICAL SKILLS

Languages: JavaScript, HTML5, CSS3. **Applications:** jQuery, Bootstrap, Materialize.

PROJECTS

Restaurant Website | <https://github.com/vjeuel/tonys-pizza> | <https://tinyurl.com/ychxobt3>

Restaurant Website | <https://github.com/vjeuel/carmines-pizzeria-grid> | <https://tinyurl.com/y9r7hthm>

- 2 Restaurants static websites designed to present their menus, specials and contact information.
- Responsible for design and writing the entire website.
- Designed and built to be a mobile friendly interface by using responsive HTML and CSS.

Hungry at Home | https://github.com/vjeuel/food_api_app | https://vjeuel.github.io/food_api_app/

- Website designed around the idea of helping people who are at home in a Covid-19 lockdown, to give them access to meals and drinks recipes and also to stay connected with news related to the virus.
- Responsible for the design, using CSS's Media Query in conjunction with Materialize framework and also helped with the API's connections.
- HTML5, CSS3, Materialize CSS and Javascript.

Weather|APP | https://github.com/vjeuel/weather_app | https://vjeuel.github.io/weather_app/

- Responsive website that offers weather information and 5 days forecast, a particular feature is that, depending on the weather, the background changes accordingly to the weather condition.
- Responsible for the design, connecting the 3 API's and making it responsive with CSS grid and flexbox.
- HTML5, CSS3, Javascript and jQuery.
